Neighborhood Watch Meeting: If you are interested in becoming a Block Captain and starting a Neighborhood Watch Program in your neighborhood, please call your Senior Lead Officer at their number below for further details.

local.nixle.com/lapd---Van-Nuys.

WHO TO CONTACT

For crimes in progress dial: 911.

To report any suspicious activity or persons call the Los Angeles Police Department Non-Emergency phone number at: **877-ASK-LAPD (877-275-5273)**.

Keep our community clean! Call: 311 or visit <http://lacity.org/MyLA311/index.htm> to report graffiti, bulky items on the street or sidewalks, and shopping carts in the area. You can also download the MyLA311 Smartphone Mobile Application to submit your report. Keeping the streets clean shows the criminals that we have pride in our community and we will not tolerate their activities.

If you would like information on resources available to support or counsel victims of domestic violence, call the City of Los Angeles “**211**” support number (option 7) or www.211LA.org.

For more information about domestic violence see the LAPD webpage, where you will find online information and resources go to: http://www.lapdonline.org/get_informed/content_basic_view/8893.

Also, you can contact The National Domestic Violence Hotline (**800-799-7233**) and Domestic Abuse Center, 14402 Haynes St., Van Nuys, CA 91401; (**818**) **904-1700** (not a 24-hour hotline)

Crime Update

Basic Car 9A5:

Senior Lead Officer Katy Paschal

Cell Phone: 818-731-2556

Email address: 36128@lapd.online

Crime Trends/Statistics

Although Basic Car A5 is still seeing a decrease in total Part I Crimes, we lost some major ground. As of September 16, 2017, we are down -5.7%. We are consistently up in auto related crimes (Burglary/Theft from Motor Vehicles +24.2% and Grand Theft Auto 25%). We’ve been preaching “Lock it, Hide it, Keep it” for a while now, however, people are still leaving items behind. Some of these vehicles were left unlocked in driveways. Parking in driveways is great, but please remember that you are not immune from crimes when you do that.

The holidays are fast approaching. If you are like me and do a lot of online ordering, make arrangements to have packages delivered to a secure location if you won’t be home to receive them.

We have all seen the increase in transient encampments within the City. I am working with our H.O.P.E. (Homeless Outreach Proactive Engagement) Unit, Bureau of Sanitation, Street Services, Council District 2 and 6, as well as, several different outreach services to address these as best and as fast as we can. Before locations

can be scheduled for a full clean-up, several outreach attempts must be attempted. This takes a little time, as transients are just that, transient. Many times, we will speak to them at one location and then we have to locate them again somewhere else. This makes the outreach process very time consuming. Once a clean-up is done, it does not prohibit them from returning, sometimes right after we leave. Please let me (or your respective Senior Lead Officer) know of any issues you are having with encampments. The faster we become aware of it, hopefully the faster we can address it.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is **NOT for reporting crimes or for generating radio calls**. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273) and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, not dispatch calls.

Basic Car 9A19:

Senior Lead Officer John Bailey

Cell Phone: 818-731-2566

Email Address: 33445@lapd.online

Crime Trends/Statistics

Basic Car 9A19 encompasses the area of Sherman Way to the North, Victory Boulevard to the South, Van Nuys Boulevard to the West and Tujunga wash to the East.

Remember, though your vehicle is in a secure parking lot, please adhere to, "Lock it, Hide it, Keep It." If able, park in areas with sufficient lighting. Never leave any valuables in plain view, even if you are only away from your vehicle for a short time. If your vehicle glove box is not equipped with a light, leave it open and empty. This deters criminals from braking into your vehicle.

If you plan on being out of town for an extended period, please arrange to have parcels/ packages placed on hold at your nearest mailing annex/ hub. This helps deter crime and reduces the chances of you becoming a mail theft Victim. Please lock and secure doors when you leave the house. If you go on a trip for an extended period, the more cars in the driveway the better. If possible during hours of darkness, leave some lights on or install motion sensor lighting/ timers around the house. This usually indicates people are home and helps deter/reduce residential Burglary activity.

Basic Car 9A23:

Senior Lead Officer Erika Kirk

Cell Phone: 818-731-2557

Email Address: 37525@lapd.online

Crime Trends/Statistics

Basic Car 23 is down -2.0 % in overall Part 1 Crimes Year-to-Date. Violent Crimes are also down -14.7% year-to-date including a decrease in Rape, Robbery, as well as Aggravated Assaults. There is an increase in property crimes bringing the total to 7.5% over Year-to-Date. This is mostly due to an upswing in Burglary Theft from Motor Vehicles (5.6% YTD), Burglary (27.6% YTD), and Grand Theft Autos (27% YTD). There has been a decrease in personal theft (-3.6% YTD).

We had an increase of Burglary Theft from Motor Vehicles which occurred west of Sepulveda Boulevard between Victory Boulevard and Vanowen Street. Two out of the four BFMVs occurred at an apartment complex where the subterranean lot was targeted. The two additional BFMVs occurred in the residential area of both Midvale and Chisholm Estates. A quick reminder to "Lock it, Hide it, Keep it," especially if you do not live on a well-lit street. Criminals like to lurk in areas that are dark in order to easily commit their crimes.

If you live in an apartment or condominium complex, please don't hesitate to reach out to start an "Apartment Watch" group. I've found that these types of meetings are a great way to educate and bring together a community. Remember, "Lock It, Hide It, Keep It!"

Basic Car 9A37:

Senior Lead Officer Justin Bergmann

Cell Phone: 818-731-2562

Email Address: 32052@lapd.online

Crime Trends/Statistics

As of August 26, 2017, my area is currently up 9.2% in property crimes, 51.2% in Grand Theft Autos (stolen vehicles), and up 9.7% in Burglary from Motor Vehicles (cars being broken into). Violent crime is also up a total of 8.9%. These numbers are year-to-date compared to last year during the same period.

We continue to see an increase in thefts of bicycles in the valley. It is very important that you take several precautions to help reduce this crime trend. First, make sure you're locking your bike up with a quality lock that can't be easily cut. Also, when storing your bike, try to keep it inside your residence or in a closed storage area or garage, out of sight. Many of the stolen bicycles are being taken from underground parking garages and storage areas. Lastly, please **make a note of the bicycles serial number**, usually located under the frame below the pedals. This is very important if the bicycle should be stolen so that the police can positively identify it as stolen property. Many of the stolen bicycles are quickly painted and made to look different, and without a serial number it can be very difficult for us to identify.

Build my Neighborhood Watch participation in Valley Glen to combat residential Burglaries is the goal for this year. I will be working with the Valley Glen Neighborhood Association to increase membership, participation and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you're not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of alarm system and cameras to deter would be thieves.

Basic Car 9A41:

Senior Lead Officer Tony Cabunoc

Cell Phone: 818-731-2560

Email Address: 25170@lapd.online

Crime Trends/StatisticL

Last month we (Basic Car 41) had a 3% decrease in crime, now we are at plus 1%. I guess good news did not last. Burglary from Motor Vehicle, commercial burglaries, and grand theft auto led the surge over the last 30 days. As for grand theft auto, the car of the month was the Honda Accord, followed by Hyundai. No particular year, but vehicles were parked on the street. As for our commercial burglaries, store fronts were the choice of burglars. Burglars would smash out windows and remove cash from the register and small items of value that were left in view. Often cameras will capture the incident but burglars often wear hoodies or caps to cover their faces from overhead cameras. If you own a business take the time to empty the cash register, leave it open, and position hidden cameras in areas at eye level to capture the suspect's face and distinctive features.

Our officers continue to work the homeless issues in and around Basic Car 41. Our HOPE unit have been tasked with a two-fold approach to the homeless issue, outreach and enforcement. They have made noticeable progress in the area but the population continues to grow.

Basic Car 9A63:

Senior Lead Officer Trent Berry

Cell Phone: 818-731-2563

Email Address: 27270@lapd.online

Crime Trends/Statistics

Basic Car 9A63 covers the Northern Sherman Oaks community. Heading into the month of October, we are still experiencing a slight increase in property crimes with regards to Residential Burglary and Burglary Theft from Motor Vehicle. I'm currently up +3.5% as compared to this same time from last year. That's an improvement from last month where I was at +8%. Most incidents involving residential burglaries are taking place during the daytime hours, while most homeowners are away at work. Please be mindful of this, and properly secure your homes and avoid leaving windows open. Remember, an open window is an open invitation to your home. With regards to thefts, please be mindful to track your packages when ordering on-line. If you cannot be home to receive it, consider a drop off location or ask a trusted neighbor to pick up your package for you. This should help to reduce your chances of being victimized. Please call to report suspicious activity in your neighborhood. Also, when visiting local retailers please be mindful of your surroundings and avoid leaving property unattended.

Finally, please continue to be mindful of not leaving valuables inside your vehicles. This will help to reduce your chances of being victimized by the crime of Burglary Theft from Motor Vehicle. Remember to "Lock it, Hide it, Keep it."

Basic Car 9A89:

Senior Lead Officer Jose Saldana

Cell Phone: 818-731-2565

Email Address: 30853@lapd.online

Crime Trends / Statistics

Basic Car 9A89 covers the Southern Portion of Sherman Oaks and a small portion of Studio City. I'm currently experiencing an increase in property crimes as I'm up +10% year-to-date, as compared to October of last year. Remember to lock and secure doors when you leave the house. If possible at night time, leave some lights on or install motion sensor lighting/ timers around the house. This usually indicates people are home and helps deter/reduce residential Burglary activity. Residential Burglaries are my main concern.

We are utilizing as many resources as possible to combat all these problems. As you know, we can't catch everyone on our own. Please help us help you by being aware of what's going on in your neighborhood and reporting any suspicious activity. Remember, the best way to avoid becoming a victim yourself is to remove all valuables from your vehicle every time you leave it. Do not leave anything that's not attached to the vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

Remember, Nextdoor.com, Twitter, and your SLO's City cell phone/email is **not for reporting crimes or for generating radio calls**. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273) and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, not dispatch calls.

Crime Prevention Tips

- **LOCK YOUR WINDOWS AND DOORS** when you leave the house. Close your blinds/drapes so no one can see into your house. Keep every part of your residence locked and secured, including your garage.

- ***DON'T LEAVE EXPENSIVE ITEMS OUT.*** Put them in a drawer, safe, or somewhere else out of sight.
- ***TAKE YOUR ELECTRONIC ITEMS OUT OF YOUR CAR!*** Your cell phones, computer tablets, other portable electronics, and chargers.
- ***LOCK YOUR CAR AND PARK IT IN A GARAGE OR LIGHTED AREA.*** Make it difficult to get into your car. If it is outside, make your car as visible as possible.
- ***IF YOU'RE HOME AND SOMEONE KNOCKS OR RINGS YOUR DOORBELL, DO NOT IGNORE IT.*** Would be burglars like to knock to determine if someone is home before attempting to break in. So, please make sure you verbally acknowledge the person without opening the door. If you have not invited someone to your home, you should not open the door for them.
- Video cameras are becoming an affordable option to help reduce your chances of becoming a victim. Please consider this option to protect your home.
