Crime Trends/Statistics

We've had a great start to 2018! As of January 6, 2018, we are down -64.7% in total Violent and Property Crimes compared to the start of last year. We ended 2017 with a total of 762 crimes (146 Violent/616 Property) which gave us an overall crime reduction of -8.6%. This couldn't have been done without the collaborative efforts of the citizens and the Department. This truly is a working relationship on every level.

We have all seen the increase in transient encampments within the City. I am working with our H.O.P.E. (Homeless Outreach Proactive Engagement) Unit, Bureau of Sanitation, Street Services, Council District 2 and 6, as well as, several different outreach services to address these as best and as fast as we can. Before locations can be scheduled for a full clean-up, several outreach attempts must be attempted. This takes a little time, as transients are just that transient. Many times, we will speak to them at one location and then we must locate them again somewhere else. This makes the outreach process very time consuming. Once a clean-up is done, it does not prohibit them from returning, sometimes right after we leave. Please let me (or your respective Senior Lead Officer) know of any issues you are having with encampments. The faster we become aware of it,

hopefully the faster we can address it. If you need to report an encampment, please be sure to call 311 or use your mobile app to request Sanitation to respond.

Remember, Nextdoor.com, Twitter, and your SLO's city cell phone/email is **NOT for reporting crimes or for generating radio calls**. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273) and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, not dispatch calls.

Crime Trends/Statistics

Basic Car 9A19 encompasses the area of Sherman Way to the North, Victory Boulevard to the South, Van Nuys Boulevard to the West, and Tujunga wash to the East.

As mentioned above, we have seen a reduction in residential burglaries, keep up the good work! When away, unfortunately the criminals will play. Remember to try and leave more cars in the driveway. If possible, coordinate with a neighbor and let them park vehicles in your driveway while gone for an extended amount of time. The appearance of people at home helps deter crime. During hours of darkness, leave some lights on or install motion sensor lighting/ timers around the house.

MAIL / PACKAGE THEFT IS ON THE RISE! If you are not home for a scheduled delivery, please arrange to have parcels/ packages placed on hold at your nearest mailing annex/ hub. This helps deter crime and reduces the chances of you becoming a mail theft Victim.

Unfortunately, the surrounding areas of a homeless encampments usually see an uptick of property crimes. Please do not take the law into your own hands when dealing with the homeless, as some suffer from mental illness and PTSD. Should you see evidence of homeless, trash, or tents pop-up in an area, please notify your Senior Lead Officer so we can address the issue by assisting the homeless with shelter information and enforcing lodging, Trespass, and sidewalk obstruction laws. This helps reduce crime and over population of homeless encampments in our neighborhoods. Remember, we can't help you with your problems or concern unless we know about it.

Senior Lead Officer Erika Kirk

Crime Trends/Statistics

We've started off the year with a good start. Basic Car 23 has an overall decrease (-26.7%) in Part 1 Crimes Year-to-Date. Violent Crimes are also down Year-to-Date including a decrease in Homicide, Robbery, as well as Aggravated Assaults. There is also a decrease (-30.8%) in property crimes Year-to-Date.

As we continue to navigate through the year please don't become complacent by leaving valuables in your vehicle or the doors unlocked. Most of the property crimes are related to Burglary and Theft from Motor Vehicles. Be aware of the potential risks even if your vehicle is parked in the driveway. Remember, "Lock It, Hide It, Keep it!"

I've been working with our Homeless Outreach Unit, Sanitation, and Cal Trans to assist with the encampments in and around Basic Car 23. If you need to report an encampment please be sure to call 311, or use your mobile app to request Sanitation to respond.

If you live in an apartment or condominium complex, please don't hesitate to reach out to start an "Apartment Watch" group. I've found that these types of meetings are a great way to educate and bring together a community.

Crime Trends/Statistics

2018 is off to a great start. Overall crime is down significantly. We will work hard to keep it there.

It is still very important that you take precautions to help reduce this crime trend. First, make sure you're locking your bike up with a quality lock that can't be easily cut. Also, when storing your bike, try to keep it inside your residence or in a closed storage area or garage, out of sight. Many of the stolen bicycles are being taken from underground parking garages and storage areas. Lastly, please **make a note of the bicycles serial number**, usually located under the frame below the pedals. This is very important if the bicycle should be stolen so that the police can positively identify it as stolen property. Many of the stolen bicycles are quickly painted and made to look different and without a serial number it can be very difficult for us to identify.

Build my Neighborhood Watch participation in Valley Glen to combat residential Burglaries is the goal for this year. I will be working with the Valley Glen Neighborhood Association to increase membership, participation, and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you're not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of alarm system and cameras to deter would be thieves.

Crime Trends/Statistics

January 2018, we started out the gate in great shape. Overall crime reduction is minus 6.7%. Last year, we sustained high numbers throughout the year with property crimes keeping the numbers spiked. Our goal this year is to reduce those numbers by getting back to the basics of Neighborhood Watch. Nextdoor.com has taken over as the new Neighborhood Watch. Getting to truly meet and greet your neighbors and have face to face and open discussions about the quality of life in your community is paramount. Finding solutions and understanding the resources available, and perhaps not available, can make a world of difference when trying to resolve issues. It's also important to keep up and know the latest municipal codes, laws, and the justice system and how it will affect you and your family. Let's get back to Neighborhood Watch and put it back in our neighborhood.

Basic Car 9A63:

Senior Lead Officer Trent Berry

Cell Phone: 818-731-2563

Email Address: 27270@lapd.online

Crime Trends/Statistics

Basic Car 9A63 covers the Northern Sherman Oaks community. We are starting of the year with a decrease of 15% in property crime and an increase of 33% on violent crimes. My two areas of concern were residential burglaries and thefts. Most incidents involving residential burglaries are taking place during the daytime hours, while most homeowners are away at work. Please be mindful of this and properly secure your homes

and avoid leaving windows open. Remember, an open window is an open invitation to your home. With regards to thefts, please be mindful to track your packages when ordering on-line. If you cannot be home to receive it, consider a drop off location or ask a trusted neighbor to pick up your package for you. This should help to reduce your chances of being victimized. Please call to report suspicious activity in your neighborhood.

Finally, please continue to be mindful of not leaving valuables inside your vehicles. This will help to reduce your chances of being victimized by the crime of Burglary Theft from Motor Vehicle. Remember to “Lock it, Hide it, Keep it.”

Basic Car 9A89:

Senior Lead Officer Jose Saldana

Cell Phone: 818-731-2565

Email Address: 30853@lapd.online

Crime Trends / Statistics

Basic Car 9A89 covers the Southern Portion of Sherman Oaks and a small portion of Studio City. I show a decrease in Total Property Crimes of 50 % from last year and 100% decrease in violent crimes.

After reviewing the BFMV/TFMV reports, numerous victims continue leaving their valuables in plain sight and not locking their vehicles. I will continue to attend community/business meetings emphasizing “Lock it, Hide it and Keep it.”

We are utilizing as many resources as possible to combat all these problems. However, please email any suspicious activity in the form of videos or photos. This can be our greatest source of information for developing leads on open cases. Please help us help you by being aware of what’s going on in your neighborhood. Remember, the best way to avoid becoming a victim yourself is to remove all valuables from your vehicle every time you leave it. Do not leave anything that is not attached to your vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

Remember Nextdoor.com, Twitter, and your SLO’s City cell phone/email is not for reporting crimes or for generating radio calls. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, not dispatch calls.

Crime Prevention Tips

- ***LOCK YOUR WINDOWS AND DOORS*** when you leave the house. Close your blinds/drapes so no one can see into your house. Keep every part of your residence locked and secured, including your garage.
- ***DON'T LEAVE EXPENSIVE ITEMS OUT.*** Put them in a drawer, safe, or somewhere else out of sight.
- ***TAKE YOUR ELECTRONIC ITEMS OUT OF YOUR CAR!*** This includes your cell phones, computer tablets, other portable electronics, and chargers.
- ***LOCK YOUR CAR AND PARK IT IN A GARAGE OR LIGHTED AREA.*** Make it difficult to get into your car. If it is outside, make your car as visible as possible.
- ***IF YOU'RE HOME AND SOMEONE KNOCKS OR RINGS YOUR DOORBELL, DO NOT IGNORE IT.*** Would be burglars like to knock to determine if someone is home before attempting to

break in. So, please make sure you verbally acknowledge the person without opening the door. If you have not invited someone to your home, you should not open the door for them.

- Video cameras are becoming an affordable option to help reduce your chances of becoming a victim. Please consider this option to protect your home.
