ABOUT US

The Mid-Valley Community Police Council is comprised of business owners, and area residents who share a commitment to support the LAPD Van Nuys Area Police Station. The MVCPC, a 501(c)(3) non-profit organization, was founded in 1978 by a small group of proactive citizens who believed that crime prevention was everyone’s responsibility. The MVCPC is proud to have grown substantially over the years and continues their focus to raise funds for supplemental training, special programs, station improvements and equipment for the Van Nuys Area Station and the men and women of the LAPD. MVCPC also supports the community through various donations, including at-risk youth programs such as the LAPD Cadets and other sports.

The MVCPC relies on individuals and businesses through tax-deductible cash donations and in-kind donations. We also raise funds through various special events such as the Annual Cops & Cowboys Hoedown - a truly popular ‘old west’ event which also honors community leaders, growing in size and funds raised each year. MVCPC also holds a Citizen’s Recognition Luncheon and an annual holiday party. These events successfully bring Officers and Citizens together as well as providing us with the ability to fund the many necessary requests from the Station for items or services not provided by the City of Los Angeles.

The MVCPC also takes pride in recognizing community leaders and LAPD Officers who have been identified as leaders with an exceptional commitment to serving the community. Commendations and recognition are incorporated into the MVCPC general meetings for the entire community to attend. We have honored hundreds of “men and women in blue” who go far and beyond their pledge to “Protect and Serve”.

Our support for LAPD has enabled us to fund many supplemental training classes for Officers and Detectives, specialized equipment and gear, state of the art technology for some of the Patrol Cars, improvement to the physical plant at the Station, funding for LAPD’s Youth Programs and much, much more.

We remain confident that what is provided by the Mid-Valley Community Police Council enhances Public Safety for all.
