Crime Update

Basic Car 9A5:

Senior Lead Officer Katy Paschal

Cell Phone: 818-731-2556

Email address: 36128@lapd.online

Crime Trends/Statistics

Basic Car A5 is seeing a decrease in total Part I Crimes. As of June 17, 2017, we are down -8.8%. We are down -35.5% in Violent Crimes and -0.7% in Property Crimes. This is a great way to head into the summer months! Even though we are seeing a decrease, we are still up in auto related crimes (Burglary/Theft from Motor Vehicles and Grand Theft Auto). There have been 70 vehicles stolen so far this year compared to 53 this time last year, and 95 vehicles versus 79 have been broken into. We’ve been preaching “Lock it, Hide it, Keep it” for a while now, however, people are still leaving items behind. Some of these were left unlocked in driveways. Parking in driveways is great, but please remember that you are not immune from crimes when you do that.

National Night Out is just a few short months away (August). If your neighborhood/street is interested in hosting an event, please let know so that I can assist you in planning it.

Looks like we are going to have an extra hot summer. Please do not leave children (or anyone for that matter) or animals in vehicles. The temperature inside vehicles can be upwards to 20 degrees hotter than it is outside...even with the windows cracked!

Remember, Nextdoor.com, Twitter, and your SLO's city cell phone/email is NOT for reporting crimes or for generating radio calls. For non-emergencies call 1-877-ASK-LAPD (1-877-275-5273), and for emergencies dial 911. Please refrain from calling the front desk if you need officers to come out for a radio call. The front desk officers are there to take telephonic reports and answer any questions, not dispatch calls.

Basic Car 9A19:

Senior Lead Officer John Bailey

Cell Phone: 818-731-2566

Email Address: 33445@lapd.online

Crime Trends/Statistics

Basic Car 9A19 encompasses the area of Sherman Way to the North, Victory Boulevard to the South, Van Nuys Boulevard to the West, and Tujunga wash to the East. I look forward to working in partnership and addressing any issues you may have. As of June 10, 2017, we have seen reduction of violent crimes by -17.6 %, Aggravated Assaults are down -14.6, Robberies are down by -18.2%, and Residential Burglaries are down by 12.2%. In addition, crime involving Personal Theft is also down by -3.6%. Of the year-to-date increases, however, this area has seen an increase in Burglary Theft from Motor Vehicle, up by 3.9 %.

Always lock and secure doors when you leave the house. If you go on a trip for an extended period, the more cars in the driveway the better. If possible at night time, leave some lights on or install motion sensor lighting/timers around the house. This usually indicates people are home and helps deter/reduce residential Burglary activity.

Are you prepared for the "Big One?" Now is a good time to get ready. Every household should have stored at least a one week supply of water, food, and a first aid kit. In addition, have some type of organized evacuation plan, and some type of communication options, and pre-planned meet location should you get separated from loved ones. Remember, First Responders aren't coming and if they do it could be days, even weeks. So, get those "Emergency Go Bags" ready.

Basic Car 9A23:

Senior Lead Officer Erika Kirk

Cell Phone: 818-731-2557

Email Address: 37525@lapd.online

Crime Trends/Statistics

I'm happy to report that Basic Car 23 which covers central Van Nuys is down -3.0% in overall Part One Crimes, along with a slight increase of 3.4% in Property Crimes, and a -22.4% decrease in Violent Crimes. These numbers are in comparison to this time last year. There is still an increase of 4.4% in Burglary Thefts of Motor Vehicles which has been consistent throughout the year.

Most of these Auto related crimes are occurring along the Vanowen Corridor and Sherman Way Corridor, and mostly affecting vehicles parked along the curb or in subterranean parking structures. Vehicles that are being targeted are 2012-2015 Toyota's and Honda's so please don't leave your key fob in the vehicle. We have also had an increase in Prius vehicles being targeted.

Please remember all fireworks are illegal. If you have any issues or questions regarding this matter, please feel free to contact me.

If you live in an apartment or condominium complex, please don't hesitate to reach out to start an "Apartment Watch" group. I've found that these types of meetings are a great way to educate and bring together a community. Remember, "Lock It, hide It, Keep It!"

Senior Lead Officer Justin Bergmann

Crime Trends/Statistics

Property crime continues to rise in my area this year. As of June 10, 2017, the area is up 53.8% in Grand Theft Autos, and 31.8% in Burglary from Motor Vehicles. Violent crime is **down** over 2.94%.

We also are seeing an increase in thefts of bicycles in the valley. It is very important that you take several precautions to help reduce this crime trend. First, make sure you're locking your bike up with a quality lock that can't be easily cut. Also, when storing your bike, try to keep it inside your residence or in a closed storage area or garage, out of sight. Many of the stolen bicycles are being taken from underground parking garages and storage areas. Lastly, please **make a note of the bicycle's serial number**, usually located under the frame below the pedals. This is very important if the bicycle should be stolen so that the police can positively identify it as stolen property. Many of the stolen bicycles are quickly painted and made to look different, and without a serial number it can be very difficult for us to identify.

Build my Neighborhood Watch participation in Valley Glen to combat residential Burglaries is the goal for this year. I will be working with the Valley Glen Neighborhood Association to increase membership, participation, and education. Please contact me if you would like to become involved.

Safeguard your home by making sure your residential doors and windows are securely locked when you're not home. Use an alarm and video surveillance cameras. Also, place signs around your home warning of alarm system and cameras to deter would be thieves.

Basic Car 9A41:

Senior Lead Officer Tony Cabunoc

Cell Phone: 818-731-2560

Email Address: 25170@lapd.online

Crime Trends/Statistics

There has been a slight increase in overall part one crimes (1.4%) which includes Burglaries and Burglary Theft from Motor Vehicles. There has been a decrease in Grand Theft Autos as well as Personal Thefts.

Our Homeless Outreach Proactive Engagement unit (HOPE) continue to address the homeless camps providing outreach programs to assist them in perhaps finding temporary or permanent housing. HOPE has also been instrumental in assisting Detectives and patrol officers with identifying those individuals who are the involved with criminal acts or activity. We plan to continue this effort and to reduce the number of aggravated assaults.

Let's be vigilant in securing our homes now that vacation season is here. Warmer weather also plays a part in our lax attitude when properly securing our homes. Windows left ajar, rear doors and sliders left unlocked or open, is the perfect invite for burglars. Do a thorough check of the premises before leaving. Have relatives or good friends do periodic checks while you are away on vacation, and please don't post when you are leaving on vacation or post your vacation photos while you are still away. Let's have a great summer and one to remember for the good times.

Basic Car 9A63:

Senior Lead Officer Trent Berry

Cell Phone: 818-731-2563

Email Address: 27270@lapd.online

Crime Trends/Statistics

Basic Car 9A63 covers the Northern Sherman Oaks community. Heading into the month of July, we are currently experiencing an increase in property crimes with regards to Residential Burglary and petty theft. I'm currently up in property crime about + 12%, as compared to this same period from last year. Most incidents involving residential burglaries are taking place during the daytime hour, while most homeowners are away at work. Please be mindful of this and properly secure your homes and avoid leaving windows open. Remember, an open window is an open invitation to your home. With regards to thefts, please be mindful to track your packages when ordering on-line. If you cannot be home to receive it, consider a drop off location or ask a trusted neighbor to pick up your package for you. This should help to reduce your chances of being victimized. Please call to report suspicious activity in your neighborhood.

When visiting local retailers, please be mindful of your surroundings and avoid leaving property unattended.

Finally, please continue to be mindful of not leaving valuables inside your vehicles. This will help to reduce your chances of being victimized by the crime of Burglary Theft from Motor Vehicle. Remember to "Lock it, Hide it, Keep it."

Basic Car 9A89:

Senior Lead Officer Jose Saldana

Cell Phone: 818-731-2565

Email Address: 30853@lapd.online

Crime Trends / Statistics

Basic Car 9A89 covers the Southern Portion of Sherman Oaks and a small portion of Studio City. As we head into the summer months, I'm currently up in property crimes +26% as compared to this same period from last year.

Remember to lock and secure doors when you leave the house. If possible at night time, leave some lights on or install motion sensor lighting/ timers around the house. This usually indicates people are home and helps deter/reduce residential Burglary activity. Residential Burglaries are my main concern.

We are utilizing as many resources as possible to combat all these problems. As you know, we can't catch everyone on our own. Please help us help you by being aware of what's going on in your neighborhood and reporting any suspicious activity. Please remember the best way to avoid becoming a victim yourself is to remove all valuables from your vehicle every time you leave it. Do not leave anything that's not attached to the vehicle in plain sight. Make sure your cars and homes are locked and secured using as many crime prevention tools as possible.

Crime Prevention Tips

- ***LOCK YOUR WINDOWS AND DOORS*** when you leave the house. Close your blinds/drapes so no one can see into your house. Keep every part of your residence locked and secured, including your garage.
- ***DON'T LEAVE EXPENSIVE ITEMS OUT.*** Put them in a drawer, safe, or somewhere else out of sight.
- ***TAKE YOUR ELECTRONIC ITEMS OUT OF YOUR CAR!*** Your cell phones, computer tablets, other portable electronics, and chargers.
- ***LOCK YOUR CAR AND PARK IT IN A GARAGE OR LIGHTED AREA.*** Make it difficult to get into your car. If it is outside, make your car as visible as possible.
- ***IF YOU'RE HOME AND SOMEONE KNOCKS OR RINGS YOUR DOORBELL, DO NOT IGNORE IT.*** Would be burglars like to knock to determine if someone is home before attempting to break in. So, please make sure you verbally acknowledge the person without opening the door. If you have not invited someone to your home, you should not open the door for them.
- Video cameras are becoming an affordable option to help reduce your chances of becoming a victim. Please consider this option to protect your home.
